

## Construction Update for the Week of November 18

Last week, crews postponed the planned striping south of Algonquin Road due to inclement weather. This work will be rescheduled at a later date.

Beginning Wednesday, temporary closures on Main Street may be required while AT&T contractors remove the cables on the east side of the bridge on Main Street. These cables will eventually be placed into a pre-cast concrete enclosure located on the substructure at the end of the bridge. Please note, temporary access will be provided to Creekside Tavern and the buildings located at 103-107 Main Street. A construction alert will go out next week with more details.

---

### Almost Time to Celebrate!

Please join us for the Village's Ribbon Cutting Ceremony on Nov. 19 at 6 pm to celebrate the completion of the Old Town Algonquin Revitalization Project. The public is invited to attend the ceremony at the Historic Village Plaza under the majestic holiday lights and visit stores and restaurants in the Old Town Business District before and after the event. Local businesses and merchants are hosting open houses and special offers.

For more information and the latest detour map, visit the [Old Town project website](#).
