

Construction Update!

This week, AT&T has been on site relocating utilities while construction crews perform curb and gutter work north of the bridge.

For the remainder of the week, the contractor will continue to work on streetscape elements near the bridge through the weekend.

On Monday, there will be a full closure of Main Street from 7 am - 3:30 pm for AT&T utility work. A special alert with full details will go out later in the week.

Get out, enjoy Old Town and have a safe holiday!

*Please note, the parking lot next to Creekside Tap will remain closed until December 7 for utility and sidewalk work.
