

Construction Update for the Week of April 22

The brick paver installation at Historic Village Hall Plaza has been completed. The re-imagined plaza will be a great community gathering place once new lighting and plants are added.

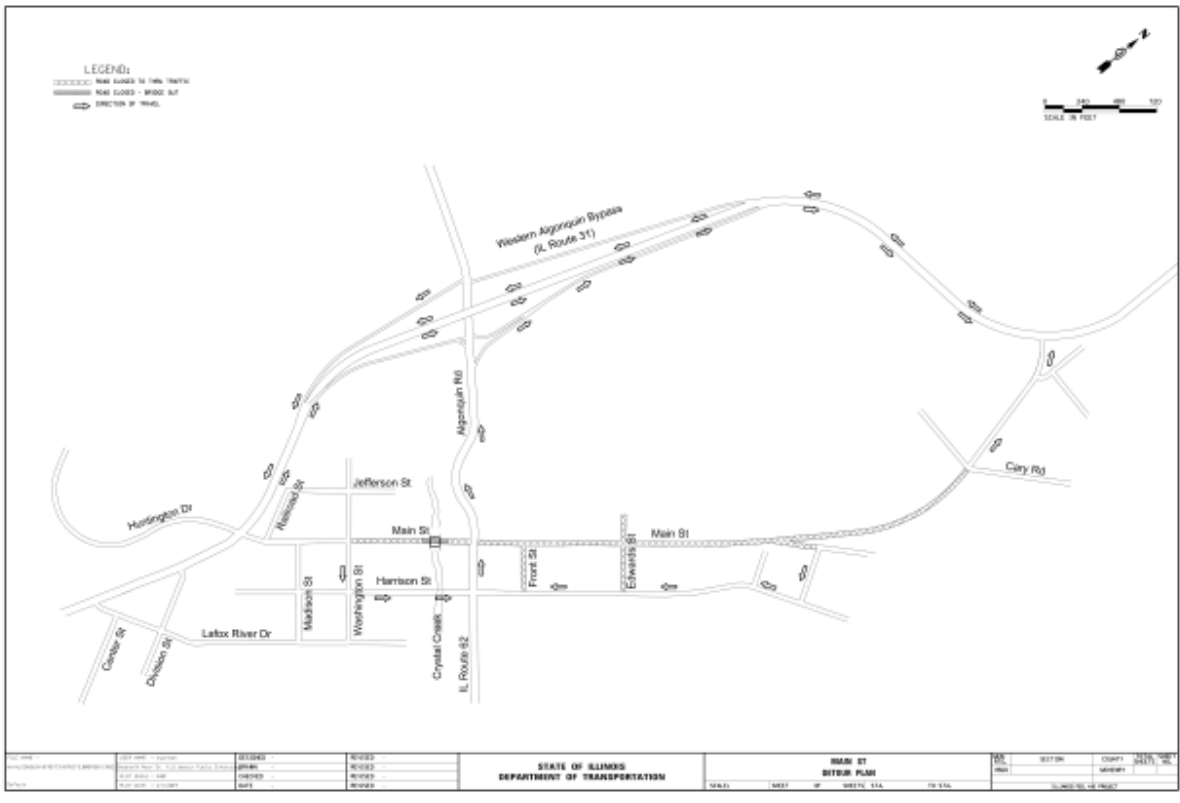

Flowers have also been added to decorative planters along Main Street. These beautiful spring flowers can be seen in front of Old Town businesses creating a welcoming environment for visitors.

This week, crews will continue to make process on rebuilding the bridge over Crystal Creek. The first step includes drilling 30 holes so that shaft foundations can be installed.

On the north section of Main Street, the new water main and sanitary sewer installation will

continue.

Please share the detour map, which can be found on the [project website](#), with your customers, employees and delivery drivers. As a reminder, the village parking lot at Harrison and Washington streets is available for workers, businesses and visitors.

For more information and the latest detour map, visit the [Old Town project website](#).
