

## Construction Update for the Week of May 27

Construction on the new sanitary sewers on north Main Street has been completed. Crews have cleaned up the construction area in preparation for the Memorial Day parade, which will kick-off at the Algonquin Cemetery and proceed southwest down Main Street to Towne Park.

Please share the detour map, which can be found on the [project website](#), with your customers, employees and delivery drivers. As a reminder, the village parking lot at Harrison and Washington streets is available for workers, businesses and visitors.

**For more information and the latest detour map, visit the  
[Old Town project website](#).**
