

Construction Update for the Week of July 8

In observance of the holiday, construction was suspended on the 4th of July. We hope everyone had a safe and happy holiday!

The bridge substructure construction resumed on July 5 with crews removing the forms used to shape the concrete.

The current detour impacting the section of Main Street south of Algonquin Road remains in place during bridge construction.

For more information and the latest detour map, visit the [Old Town project website](#).
