

Construction Alert!

Construction on the Prairie Path Trail project will begin, weather permitting, on April 2!

The first step will include site preparation with the removal of overgrown brush and trees as well as clearing the side slopes between La Fox River Drive and the river.

When the La Fox River Drive pedestrian and bicycle bridge construction begins we will notify residents and users of the detour route.

Project Improvements Include:

- A new, smooth, resurfaced trail
- Lighting
- Bicycle repair station
- New La Fox River Drive pedestrian/bicycle bridge
- Water foundations
- Benches
- Picnic table

- New trail signage
- New gathering space with pergola and space for community art

For more information and detour map, visit the [Old Town project website](#).
