

Construction Update: September 19

Pergola

This week, crews completed installation of the brick pavers around the pergola, installed the bollard lights, worked on the railing leading to the bridge and nearly finished landscaping around the bridge.

Brick pavers

Next week, crews will finish landscaping work along the Trail and plan to complete the installation of the remaining pedestrian amenities.

Thank you for your patience and cooperation as we near the end of construction!

Bollard lamps

Construction Detour:

The construction detour remains in place until construction is complete. The detour routes users to La Fox River Drive onto local streets where they can safely reconnect to the Prairie Trail through Towne Park. Please use the free, public parking lots indicated on the map. For safety purposes, we kindly ask that you walk your bicycle while in the construction zone.

For more information and detour map, visit the [Old Town project website](#).

If you have questions, please contact Dan Crosson at 847-823-0500.
