Pergola

Trail users get ready - the Trail will open later next week! And make sure you mark your calendar for our ribbon cutting celebration on Oct. 10.

This week, crews finished landscaping along the Trail and installed the remaining pedestrian amenities. Trail users will be able to enjoy a kiosk, bench, picnic tables, water fountains and bicycle racks in a well-lit and enjoyable space.

Early next week, crews will paint the dividing lines on the paved Trail. The

construction team will also install the kiosk that will help users locate their favorite businesses along the Trail.

Thank you for your patience and cooperation as we wrap up construction!

Construction Detour:

The construction detour remains in place until construction is complete. The detour routes users to La Fox River Drive onto local streets where they can safely reconnect to the Prairie Trail through Towne Park. Please use the free, public parking lots indicated on the map. For safety purposes, we kindly ask that you walk your bicycle while in the construction zone.

For more information and detour map, visit the [Old Town project website](#).
