

## Construction Update for the Week of Jan. 27

Last week, crews made great progress and completed mainline sewer installation up to the north side of Fox 14 Marina. The contractor will continue progressing north from the marina next week and we anticipate that the sewer will be completed in the next few weeks.

Once the mainline sewer is complete, crews will resume work completing the remaining service connections, storm sewer improvements and water service replacements.

### **A special property access notice:**

- All residents *south* of Fox 14 Marina should access their properties from Front Street or Algonquin Road, including properties along Park Street, Brook Street, Riverview Drive and Fox 14 Marina.
- All residents *north* of Fox 14 Marina should continue to follow the detour and access their properties from Blackhawk Trail.

\*Fox 14 Marina is open during construction and accessible from the north, off Blackhawk Trail.

---

### **Detour Alert**

The Stage 2 detour is in effect and is expected to remain in place for several weeks. North Riverview Drive between North Main and Park streets will be closed as part of the stage 2 detour. Access to residences and businesses within the work zone will be maintained.

---

**For more information and the latest detour map, visit the [Old Town project website](#).**
