

Construction Update for the Week of Feb. 17

Last week, crews completed water and sanitary service connections on the 700 block of North Harrison Street. Today, crews will work on replacing water and sewer services on the 800 block of North Harrison Street. For the rest of the week, the contractor will continue working on the mainline sewer near the 900 block of North Harrison Street.

As the Stage 2 Harrison Street Project nears completion, the Village would like to thank you for your patience and cooperation during construction.

A special property access notice:

- All residents *south* of Fox 14 Marina should access their properties from Front Street or Algonquin Road, including properties along Park Street, Brook Street, Riverview Drive and Fox 14 Marina.
- All residents *north* of Fox 14 Marina should continue to follow the detour and access their properties from Blackhawk Trail.
- Please be advised that while crews are working on water and sanitary service connections and storm sewer replacement, residents within the work area may need to follow the Stage 2 detour temporarily during working hours. Residents will have full access during off hours.

*Fox 14 Marina is open during construction and accessible from the north, off Blackhawk Trail.
