

Construction Update!

This week, the contractor will continue removing the dewatering system along North Harrison Street between Front and Edwards streets. Flaggers may be present for this work.

Next week, mainline sewer work will continue north of the 500 block of North Harrison Street.

A special notice for properties along North Harrison Street:

- All residents in the 500 block and south should continue to access their properties off North Harrison Street from Algonquin Road or Front Street.
- Residents to the north of this work zone and all other traffic should continue to follow the detour.

*Fox 14 Marina is open during construction and accessible from the north, off Blackhawk Trail.

Detour Alert

The Stage 2 detour is expected to remain in place for several weeks. North Riverview Drive between North Main and Park streets will be closed as part of the stage 2 detour. Access to residences and businesses within the work zone will be maintained.

For more information and the latest detour map, visit the [Old Town project website](#).
