

## Construction Update: May 1

**This week**, the contractor completed the remaining curb and sidewalk replacements around the lift station site on La Fox River Drive and Center Street. The team also graded the roadway around this site in preparation for new pavement. In addition, the contractor has been working on restoring the area at the southwest corner of Algonquin Road and Harrison Street.

**Next week**, the contractor anticipates completing the restoration work at Algonquin Road and Harrison Street and starting the remaining restoration at the lift station. The contractor also plans to finish the paving work early next week!

*\*All work is weather dependent.*

*We thank you for your patience as we approach the end of this project.*

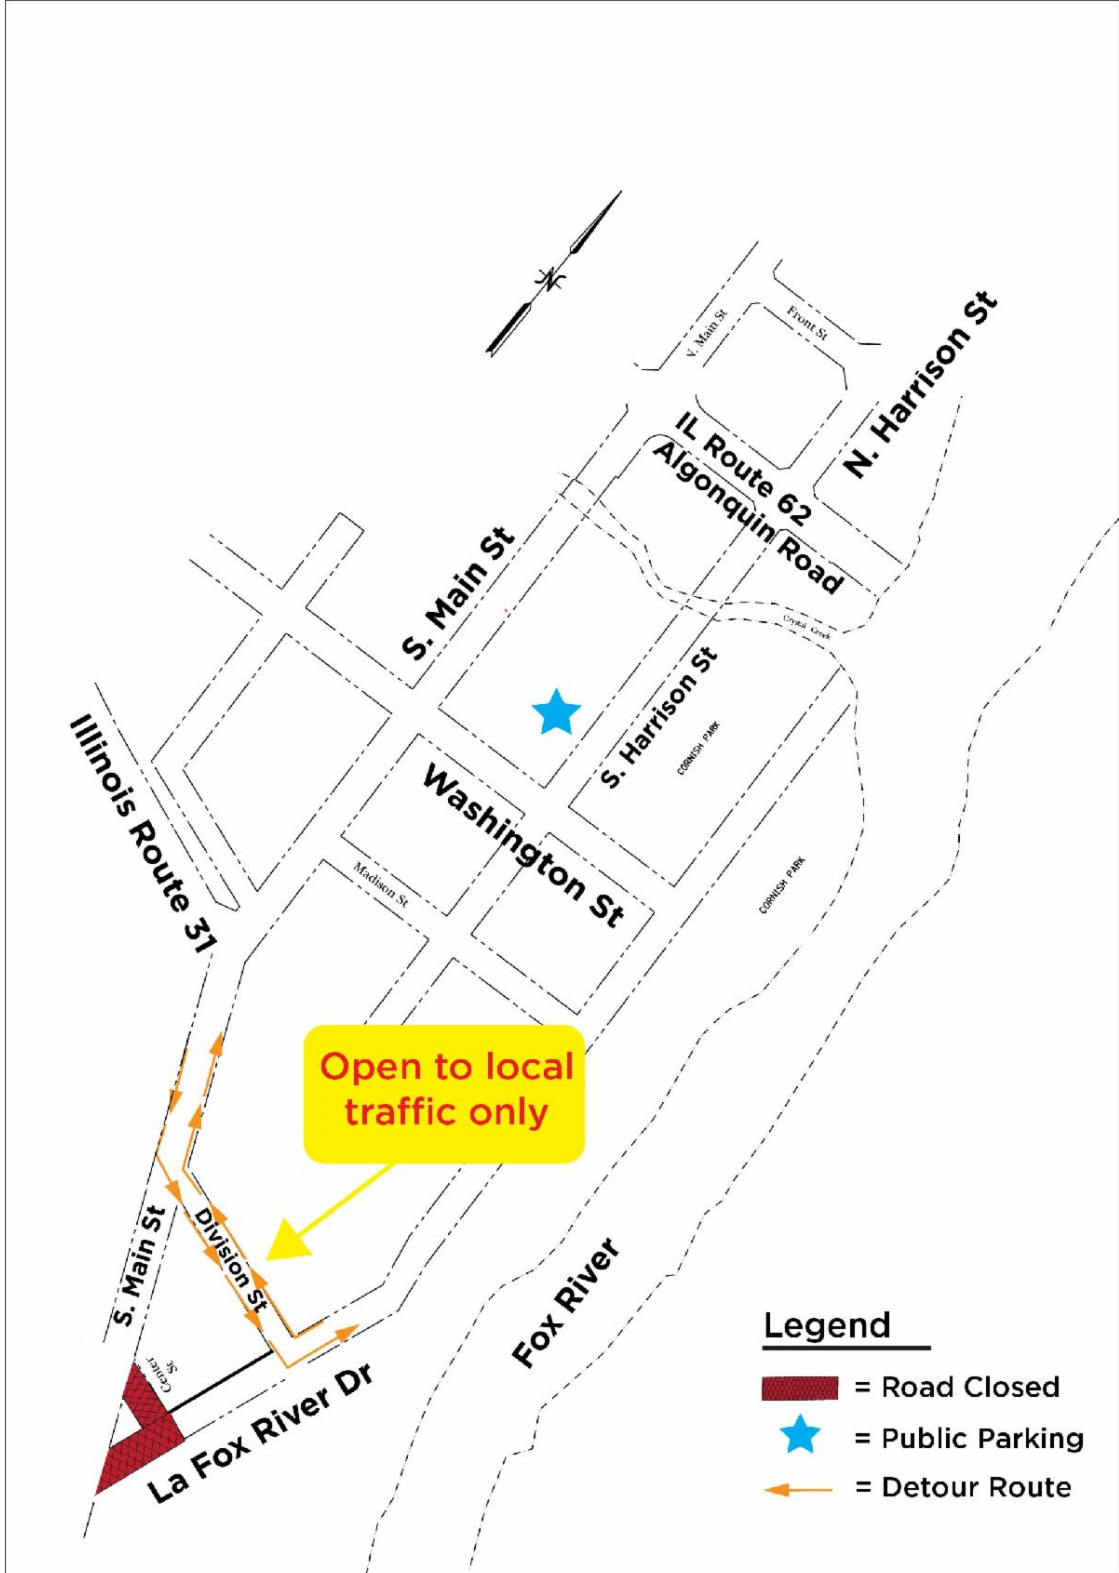

---

### **Detours and Closures**

The intersection of La Fox River Drive and Route 31/Main Street will be closed starting Tuesday, April 13.

Please refer to the map below for detour information. Thank you again for your continued cooperation and patience.
