

Construction Update - May 29, 2024

The transformation of Washington Street has begun as the new brick paver sidewalk installation began last week! The new brick sidewalk will help bring the safe beautiful atmosphere of Main Street to Washington Street! The contractor also poured the remaining concrete base for pavers and curb at 215 Washington Street.

Over the next few weeks, the contractor will continue with brick paver sidewalk installation on Washington Street. As a reminder, the detour shown below will go into effect on June 4th. This detour will allow create a safe environment for improvements to continue along S. Harrison Street. Local traffic only will be allowed on S. Harrison street between Washington Street and Crystal Creek once the detour begins.
